Professional Summary

Creative and detail-oriented Web Developer with 3.1 years of hands-on experience building responsive, user-centric applications and managing learning platforms at AntWalk, Bengaluru. Strong background in HTML, CSS, JavaScript, and React, with proven ability to integrate back-end services and develop engaging digital experiences. Passionate about blending design and functionality to build modern web interfaces. Known for prompt engineering skills, quick learning, and a collaborative spirit.

Technical Skills

Frontend: HTML5, CSS3, JavaScript, React.js, Bootstrap

Backend: Node.js, Express.js, Java, Python, C

Databases: MongoDB, SQL

Tools: Git, GitHub, VS Code, REST APIs, Postman

AI/Automation: Prompt Engineering, OpenAI, Workflow Automation

Other: Responsive Design, Debugging, Agile Development, Cross-Browser Compatibility

Professional Experience

Web Developer | AntWalk, Bengaluru, Karnataka

March 2022 – March 2025

- Developed and maintained frontend systems for internal platforms using React, HTML, CSS, and JavaScript.
- Streamlined operational workflows with automated solutions, improving efficiency by 50%.
- Ensured responsive, accessible, and user-friendly LMS experiences for learners across devices.
- Collaborated with cross-functional teams to implement tech-driven features, reducing manual workload by 60%.
- Utilized prompt engineering and AI tools for process automation and optimization.
- Conducted rigorous testing and debugging to ensure platform performance and reliability.

Projects

E-Commerce Platform (Inspired by Amazon)

- Built a responsive e-commerce site using React (frontend) and Node.js (backend).
- Implemented user authentication, product filtering, and payment gateway integration.

Food Delivery Website (Inspired by Food Panda)

- Developed a mobile-first food ordering platform with full functionality: browsing, cart, order tracking.
- Used React, JavaScript, and CSS to deliver a seamless user experience.

Portfolio Website

- Created a personal portfolio site using HTML, CSS, and JavaScript to showcase skills and projects.
- Ensured cross-device compatibility and clean UX.
